

# PerfoN

## FLEXIBLE PACKAGING

### Application

- ◆ Flower rolls and sheets
- ◆ Gift package
- ◆ counter rolls

## PLAIN BOPP

Our high transparent BOPP film will protect your products. The film is particularly suitable for packaging of flowers. Your product will be presented in the best possible way with our plain BOPP film.

With a wide choice of perforations, coatings and printings up to 10 colors, the film can be fully tailored to your wishes and needs.

Plain BOPP is the best choice for a sustainable packaging solution. It has a relative low CO2 impact compared with other packaging solutions and the film is 100% recyclable.

**Optimal presentation  
of your products**

**Protects your products**

**High tensile strength**

**Perfon Flexible Packaging** has more than 40 years of experience in producing flexible packaging solutions for the food- and non-food industry. Our high quality transparent films can be produced with hotneedle-, macro- and laser perforation. Are you looking to have a printing on the film? No problem, due to our flexo printing technique we have the possibility to add a full colour printing up to ten colours. Our company is part of the OPACKGROUP, a strong co-operation of seven companies, all specialized in a different aspect within the world of flexible packaging solutions. Combined we can offer you the latest innovations and the most sustainable packaging solutions in the market.
